TO THE HOLLABRUNN

HELLO, DEAR CHILDREN!

I am Elisa, the little forest mouse.
I love to scurry through the forest.

The Hollabrunn Forest is the most beautiful spot on earth, particularly on sunny days. That is when I observe the cheerful bustling of all its creatures from a well-hidden place.

Something dreadful has happened to me!
I have nibbled the secret book of the Hollabrunn Forest. When the Cool Cat finds this out, she will definitely devour me whole. Please help me!

Go through the forest and look for the lost words. When you have collected them all together, I can put the book back in secret and everything will be fine. Don't forget to take a folder with you!

You can collect stamps on the route which will help you find out the missing words.
Thanks for your help!

FOREST ADVENTURE TRAIL!

HI, YOUNG PEOPLE!

Unlike my cousin, I know the Hollabrunn Forest like the rings on my own tail. I live and hunt here. I particularly enjoy taking long rambles through the forest.

I also enjoy the peace and solitude of some places in the forest from time to time. And there is always something to eat in this beautiful forest!

What more could a cat possibly want?

Come with me into the forest! Are you ready to solve the puzzles of the Hollabrunn Forest? Together we will take the adventure trail. At every activity station, I will ask you a new question which you must try to answer. If you are out and about in a group, you can also split into two teams and compete against each other with the puzzles.

Take your forest certificate with you now. At the end of the trail, all the spaces for stamps on the certificate should be filled and you can now call yourself a Hollabrunn Forest expert. Come on, let's go!
